

The Tri-State Stamp Club Dubuque, Iowa

The Tri-State Stamp Club was formed in 1978. Stamp Club meetings are held on the fourth Wednesday of every month and often feature an informational program, stamp trading, stamp auctions, and stamps or philatelic materials for sale.

Objectives of our club include:

- to acquire and disseminate knowledge among our membership
- to cultivate a spirit of mutual friendship and fraternity among stamp collectors
- to support each other in our individual collecting interests
- to encourage junior collectors to become and remain active collectors
- to increase the understanding of non-collectors regarding our hobby
- to promote honest and ethical practices on the part of collectors and stamp dealers

Members' collecting interests vary widely – from mint and used postage stamps to postal covers and postal history. Club members support each other in collecting and learning about philately. The Stamp Club sponsors a yearly stamp show.

Yearly dues are \$10 for an adult membership (over 18 years of age), \$5 for a junior membership (ages 12-18 years), and \$200 for a lifetime membership. (E-membership with an e-mail copy of the newsletter is also available at \$5 per year)
