

Albania 1925 Republika Shqiptare Overprint Issue Scotts 148–185

One of these Albania stamps is genuine. Can you tell the difference?

1. Genuine: The lettering is sharper, with distinct serifs. (Scott 179).
2. Forgery: The overprint is lacking serifs and the ink is shiny compared to the genuine. (Scott 180).

Answer: "A" is genuine.
